It really is worth the extra effort of trying different cups and paper towels!

A lot of the discussion in Munro's color walk group focused on the relative impoverishment of artificial colors, but that wasn't the experience I. Stay clam and gentle. Over 10, strong! We will discuss the color walks in our next class. So far I have been extremely lucky in Barcelona: I share a studio space with seven great creatives: it is called Mirlo Studio we all work on our own projects, but we also assist each other on shared projects.
