The Private Albert Einstein. Galtung, Johan.

And I'm pretty sure, if one looks, this sort of story had been written before ear  
It is important to me because, as I said in Question 2, it has to do with my life experience and childhood memories. Family conflict and poor health. The velocity of changes in human behaviour renders the concept of generation confusing, making it difficult to establish rational cuts on a time line.  
When demographic boundaries are not enough to classify a customer profile ear  
browse Academia. Making Peace.
