Within the classification of mental illnesses in the 18th century, terms such as einfaltig, dumm [stupid], tor, narr [fool], Geck [fop], and unklug [idiot] are challenged as mystifying and vain, only relevant to a popular usage founded solely on the obscurity of a dubious tradition; one erases them for the sake of a terminology that is supposed to reproduce a logical articulation of the real within the space of nature. Bon, alors on va parler de choses plus rigolotes, parce que bon!

It is a collective life, that is, a life mediated by a complex set of institutions. We will begin our study with a brief look into the pre-WWII situation of radical art and film movements, and classic theories of the avant-garde and neo-avant-garde. Details if other :.
