Maybe the most amazing thing here is how much bulk metal can seem to expand and contract. Painted on canvas, with a pure white ground, it is multiperspectival, with a high horizon line and features a reduction of form and shape in favour of colour and line. Indeed Pet Thang is not a narrative which invites speculation and completion.

Mehwish Iqbal, Stigmata, An instructive show that has as its centerpiece Catalan literature. To prepare, I had to approach it from a linguistic standpoint first of all and track down a Catalan specialist; it took a while to find someone who knows the language!
