Vi lo de la supuesta copam noche alba. Thus, a comprehensive analysis of more number of samples is warranted to uncover consensus on the loci affected, to be able to use them as potential diagnostic markers. Indeed, almost the entirety of the documents that make up the collection of Plans and Drawings was created in order to support claims or defend against them, and the vast majority of them were created and submitted to the legal proceedings at the behest of the courts – as we shall see in due course – although some of them might have been submitted unbidden by the litigating parties.
