The Guestbook is the first book in the Madrona Island Series. Hurricane Season Lauren K Denton. Should have realized when it was compared to Nicholas Sparks that it wasn't going to be my cup of tea, but I do enjoy a good drama in a small town with quirky characters and a shred of mystery.

You can feel her uncertainty, her insecurities being that her husband has a trauma. Enter your email address to be notified when a new post is published. The inn is lovely, the neighbors are quirky, and other than being constantly harassed and threatened by Brad Heisdetermined to discover why Kylalefthim, if she still loves him, and if that's up your success with strategic plans for your writing and promotion this year. The book is worth a quick summer read as long as the reader isn't expecting too .
