Listen to my Science Tips. The Sassafras Science Adventures Volume 1: Zoology The summer-long, science-filled, adventure-packed journey begins with a look at animals!

I want to instill an enduring curiosity in them, and hope they will grow up needing it. I am not sure if the additional volumes are the same or if they get longer, but I imagine if they are longer she will do just fine as she will be older as we go through the series. Each chapter is approximately 15 pages.

Maybe I will get this too as a supplemental reader! Are you tired of the same old the past year, my son a first grader and I have worked our way through the first two volumes of Sassafras Science: Zoology and Anatomy.
