Plus, the clients should receive, for tax purposes, an accounting of exactly how much they paid the advisor. Your financial advisor should work with you to develop a comprehensive income strategy that bridges the gap between where you are today and where you want to be in the future in terms of monthly retirement income. Furthermore, offering an employer-sponsored retirement plan has proven to be an excellent tool in employee recruitment and retention. JasonMcKinneyFinancialAdvisor.DeGoey,whorecentlymarkedhis20thanni Do they even know about the evidence? Finding financing can be one of the most difficult aspects of closing a deal. Ages7-9.Risk Management Often overlooked by many business owners is the wide range of risks associated with operating a company. But, given the overwhelming possibility of superior performance using index funds vs actively managed funds, both DIY investors who can stay the course and are not therefore challenged by the above and investment professionals will find that index funds offer the greatest possibility of superior performance in a diversified portfolio.
