A bonus benefit is the salting throughout the plot of old vignettes from Call's long friendship w Lonesome Dove ranks at the top of my list of favorite novels. There is little distinction between the white men representing the US government and the Mexican killer, Joey.

I devoured them, one after the other, all terribly good. They had only played John Wesley Hardin 3 episodes, Wes Studi Redfoot 2 episodes, Ashley Coe

In Lonesome Dove we had the rape of Lorenaby grown men; that was bad enough, but of Laredo is balanced between hope and despair, between sentimentality and dispassion. It would have worked just as well as a stand-alone with new characters.
