When was this blissful time when thrift and hard work were rewarded and the government knew its place? He had a simple, but specific plan, of which he spoke often during the campaign: cut taxes, get control of government spending and get the government out of the way so that the entrepreneurial spirit of the American people could be unleashed. Why burst the bubble? Notriviaorquizzes.Sep3,The first, the agricultural revolution, began when individuals stopped hunting and gathering for survival and established farms and communities. In my lifetime, I have witnessed the transformation of a telephone monopoly
