His critics condemned him as architecturally illiterate, pointing to his lack of academic training, but while it's fair to say that his interiors were often a mishmash of styles, from Oriental to Renaissance and back again, they somehow made sense as a. Another misconception I had was that the rather precious phrase 'light entertainment' was a product of the Reithian s, when all those high-browists needed a euphemism to allow them to refer to the vulgar stuff the public, so regrettably, seemed to like.
