It was an important novel of the Sturm und Drang period in German literature, and influenced the later Romantic movement in literature. In seeking solace from a paternal God, Werther is drawing sustenance from the human relationship of a father to his children and only coincidentally invoking a religiously charged image that is in fact devoid of religious content. Inanothermeasureofcontinuinginterest,arecentwebsearchonDieLeidenc The acclaimed translator Stanley Corngold brings new passion

and precision to Goethe's timeless novel of obsessive love and madness in this magnificent new translation. This Hamburg edition of Goethe's works is cited in the text as HA. But he defines this potential less dramatically, as an active readiness to identify with the hero emotionally.
