I go out to the backyard and shit you not, I see this fucking bright rounded object UFO hovering about feet right above me. Men in Black: International. ItwasabitsloppyofmeifIdid.These were all definitive events in that there was no doubt what I saw and I can speak with authority that I saw these things plus the witnesses who were present attest to the same story. But even ufologists – the community of amateur researchers and conspiracy theorists devoted to turning up every shred of evidence to be found about the existence of aliens, who, it goes without saying, are highly prone to paranoia and infighting – have mixed feelings about DeLonge.
