At Kobo, we try to ensure that published reviews do not contain rude or profane language. I wish he had more anecdotes about his patients and their owners as I found that more. After exhausting his expert knowledge and skills, he quietly sat with a dog, Pongo, that remained unresponsive and slowly dying, though all its medical needs had been tended.

Vint Virga is a distinguished practitioner and leader in veterinary behavior. The Soul of All Living Creatures Virga draws from his decades in veterinary practice to reveal how, by striving to perceive the world as animals do, we can enrich our own appreciation of life, enhance our character, nurture our relationships, improve our communication with others, reorder our values, and deepen our grasp of spirituality.
