Chronically lonely people are often in poor health, and their lives are associated with many issues of social maladjustment including alcohol abuse and depression. Did He tell you that? The more similar we are to someone, the more we like the other person.

ThiswasthebeginningofanewwayofthinkingaboutGodandtheBible.Humboldt came to America to realize his youthful dreams of a tropical vegetation, and he beheld it in its greatest perfection in the primitive forests of the Amazon, the most gigantic wilderness on the earth, which he has so eloquently described. Stevens proved lax, and departed in
