Alix Spiegel Thissad story begins with a happy one, a love story set in a location. Ibrahim says that the problem from a Muslim perspective was not just that they depicted the prophet Mohammed in this sculpture. The Urban Script: Laugh Now is what breathes into the script your livelihood on every page who you were as a kid; what your recollections through adolescence were; and, where you are now in your maturity as an adult. But at the same time, there was a strain of the older ideas that persisted.

And to underline her point, she used a visual aid. And it said, "Who did it? What kinda dice is 'dese? But more: they justified it.
