If the story progresses to over the top nasty, I would rather give it a miss! Are they related to the dog park controversy? Enlarge cover.

Still, the book's beautiful last line, "Trees, leaves, light, bird," echoes. Tell us what you like, so we can send you books you'll love. And to be happy, most dogs need to be off-leash at least once in awhile.

I liked the book well enough but it just sort of meanders through affairs, and... Lens. Then he shook himself and galloped toward where the pine trees cast jagged shadows onto the bright grass.
